From Baby Basics:

We love supporting families and often do so without knowing exactly where it is going or how it's received, so it's wonderful when we hear feedback via our referrers. This week's Thank You goes to all who contribute to the process of supporting a family – from donations to delivery.

Family Voice:

*"The family were so grateful - dad had to sit down and take a breath when he saw it all! Mum sent us a message to say "she will never forget the generosity of this gift". It was a huge uplift for a woman who has recently given birth, has no recourse to public funds, living in dire poverty and hadn't been out of the house for weeks. The work you do has such an impact - please don't ever forget how much you make a difference in people's very hard lives. "*
