You are invited to join us for this special celebration

Saturday 7th June 10-12.30 Dr Ben Pugh (Cliff College) The Spirit and the Church: Community-Forming Power

Come and join us for a morning of exploring the work of the Holy Spirit in the book of Acts. There will be two sessions, the first one asking the question, how is community formed? And the second session asking, how is community grown? We will discover that there is far more to these two simple questions than meets the eye.

Followed at 12.45pm by Family Pentecost Picnic and Praise Party in the garden (please bring your picnic)

You are welcome to join us for one or all of these special events!

Dr Ben Pugh was not raised as a Christian and soon developed a hunger for spiritual realities. This hunger was satisfied when he met Christ while studying at art college.

He became fascinated by the Bible and developed an interest in the formal study of theology. He has been Lecturer in Theology at Cliff College since 2012. With his family, he is an active member of the Eagles' Nest Church, Nottingham.
