### **Leadership Team.**

Members of our Leadership Team met on Monday with the Vicar and one of the wardens of Christ Church.

The main aim of the meeting was to consider what the two churches have successfully done together in the past and how we can continue and build on strong ecumenical links in the future. This will include acts of worship as well as making good use of our two buildings for joint village wide events.

We will keep you informed of progress as we go along over the next few months and share ways in which you can get involved.

The Leadership Team also met in our church on Wednesday this week. Amongst the many things discussed was Holy Week; other upcoming church services; church events; the needs of looking after the church building and financial issues. We also agreed that photos of the leadership team should go

up on a notice board in church to ensure that everyone who comes into our building knows who we are, so look out for that in a few weeks' time!

If you want to know more about any of the above, please talk to one of our leadership team.

## **To Boldly Go ... Faith Beyond Church**

**Sat 5 Apr 2025 9:30 AM - 1:00 PM**

**Wesley Hall Methodist Church, S10 1UD**

Join us for a morning of learning, sharing and worship with a buffet lunch provided. It will provide an opportunity for you to renew existing connections across the District and to meet new people.

Our theme will be To Boldly Go... Faith Beyond Church. Most followers of Jesus spend the majority of their time engaged in activities beyond church: working, holding family responsibilities, pursuing hobbies, supporting charities and community groups, travelling, resting.

- What does our worship, teaching and collective endeavours say into faith beyond church?
- How do we better equip people to live out their discipleship and mission in their own unique contexts beyond church?

Within the District Gathering we will hold the life of Methodism across our district in prayer, renew our relationship with our wider Connexional church, and make any formal decisions required of us as a district – the work of the representative synod.

This event is free and open to all, but we do need to know who is coming, so please book in!
